

## PRODUCT CHANGE NOTIFICATION

Issue Date: Feb 16, 2022

Implementation Date: Feb 16, 2022

PCN Number: PCN-003

PCN Title: RX1222sas SAS controller alternative source implementation

To avoid shortage of material, Synology has approved an alternative source of SAS controller in RX1222sas model.

The proposed replacement motherboard has been evaluated with reliability tests based on Synology general quality specifications. The evaluation has demonstrated that the specification, function, quality, and reliability of the replacement part is unchanged.

RX1222sas using the existing part and the replacement part will be produced and shipped in parallel.
